

2010 Select Sire Futurity Mare Nomination

Nominate Your Mare Now - Postmark Deadline December 01, 2009

If your mare is bred to one of the select sires, fill out the Mare Nomination form at the right and send it along with the \$40 fee. If you purchased the breeding service through the Select Sire Stallion Service, or if you donated the service of one of the listed Select Sires, you are entitled to nominate your mare at half the regular fee; therefore, you would send \$20 with your Mare Nomination Form. Any additional nominations from same owner are \$20 each.

Mare Nominations must be post-marked by December 01, 2009 so foals can show in the 2010 Select Sire Futurity.

All stallion service fees, nomination fees and sustaining payments for mares and foals go into one big pot. Except for sustaining fees and entry fees, which are based on the number in each class, the purse is split equally between the filly class and the colt class, regardless of the number of entries in each.

Each purse is then divided, and 80 percent being paid to the owners of the top ten foals and 20 percent being paid to the owners of the sires of the top four foals.

For maximum fairness, a three-judge system is used.
